Audio Requirements

PA system suitable for venue with sub bass

Quality FOH console

Minimum 1 reverb and 1 delay

4 wedge monitors on 4 separate mixes

4 tall boom microphone stands in good condition

Backline

Electric Stage Piano (Nord Stage or Roland RD series preferred) with piano stand, sustain pedal and piano stool.

Note: If we are on tour we usually bring a stage piano on the road with us, but for festival performances or if we are flying out to you we require this to be provided.

Backline Power

220/240v AC drop at front of stage (UK style sockets if possible)

Stage Plan
